Dear Mr. Tappey:

I should have written you on this matter some time ago, but it had slipped my attention. As it is we still have time to take care of it.

You will recall last year I applied to you for Workmans Compensation Insurance. You sent me the refusals you received from the different insurance companys. These refusals were all made out to the Brooklyn Eagles Baseball Club Inc. We are doing some reorganizing and the club will be known as The Newark Eagles Baseball Club (not incorporated) in the future. In view of this fact I want you to make application for a policy for The Newark Eagles Baseball Club, and send me the refusals. I understand I must have five of them, directly from the companys. That is you must send me their letters and not copys.

Thank you for attending to this for me.

Very Truly Yours
